**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS**

To be held on October 7, 2020

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors (the “Board”) of Frequency Electronics, Inc., a Delaware corporation (hereinafter called the “Company”), for use at the 2020 Annual Meeting of Stockholders (the “Annual Meeting”) to be held virtually over the internet using the following link ([www.virtualshareholdermeeting.com/FEIM2020](http://www.virtualshareholdermeeting.com/FEIM2020)) on the 7th day of October 2020, at 10:00 A.M., Eastern Daylight Time, or any adjournment or adjournments thereof. This Proxy Statement, together with the accompanying Annual Report on Form 10-K for the fiscal year ended April 30, 2020 and the Proxy Card, are first being mailed to stockholders on or about August 28, 2020. Only stockholders of record as of the close of business on August 14, 2020 are entitled to notice of, and to vote at, the Annual Meeting.

The Board may use the services of the Company’s directors, officers and other regular employees to solicit proxies personally or by telephone and may request brokers, fiduciaries, custodians and nominees to send proxies, proxy statements and other materials to their principals and reimburse them for their out-of-pocket expenses in so doing. The cost of solicitation of proxies, which it is estimated will not exceed \$7,500, will be borne by the Company. Each proxy duly executed and returned to the Company is revocable. The procedure a stockholder must follow to revoke its proxy depends on how such stockholder holds its shares. Registered holders of the Company’s common stock, par value \$1.00 per share (“Common Stock”), may revoke a previously submitted proxy by submitting another valid later dated proxy or by providing a signed letter of revocation to the Corporate Secretary of the Company before the closing of the polls at the Annual Meeting. Only the latest dated validly executed proxy will count. Stockholders also may revoke any previously submitted proxy by attending the Annual Meeting and voting their shares during the Annual Meeting. Note that simply attending the Annual Meeting without taking one of the above actions will not revoke a proxy. In general, stockholders holding shares in “street name” may revoke previously submitted voting instructions by submitting to their custodian another valid voting instruction or a signed letter of revocation. Stockholders holding shares in “street name” should contact their custodian for detailed instructions on how to revoke their voting instruction and the applicable deadlines.

**Instructions for the Virtual Annual Meeting**

As a result of the coronavirus (COVID-19) outbreak, the Annual Meeting will be a completely virtual meeting. There will be no physical meeting location. The meeting will be conducted via live webcast. Stockholders will have the same rights and opportunities to participate in our virtual annual meeting as they would at an in-person meeting.

To attend the virtual meeting, visit [www.virtualshareholdermeeting.com/FEIM2020](http://www.virtualshareholdermeeting.com/FEIM2020) and enter the 16-digit control number included on your proxy card or voting instruction form. The meeting will start at 10:00 A.M., Eastern Daylight Time, on October 7, 2020. We encourage you to access the meeting prior to the start time to familiarize yourself with the virtual platform and ensure you can hear the streaming audio. Online access will be available starting at 9:30 A.M., Eastern Daylight Time, on October 7, 2020.

The virtual meeting platform is fully supported across browsers (Internet Explorer, Firefox, Chrome, and Safari) and devices (desktops, laptops, tablets and cell phones) running the most updated version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection from wherever they intend to participate in the meeting.

While we strongly encourage you to vote your shares prior to the Annual Meeting, stockholders may also vote during the meeting. Once logged in, you will be able to vote your shares by clicking the “Vote Here!” button.

Stockholders may submit written questions once logged into the virtual platform. Questions pertinent to meeting matters will be answered during the question and answer portion of meeting, subject to a time limit prescribed by the Rules of Conduct that will be posted to the virtual meeting platform on the day of the meeting. The Rules of Conduct will also provide additional information about the relevancy of questions to meeting matters.

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, you should call the technical support number that will be posted on the virtual stockholder meeting login page.

## Voting Securities and Votes Required

The Board has fixed the close of business on August 14, 2020, as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting (the "Record Date"). As of the Record Date, the Company had outstanding 9,159,980 shares of Common Stock, (excluding 3,960 treasury shares). Each share of Common Stock entitles the record holder thereof to one vote on each matter brought before the Annual Meeting. No shares of preferred stock were outstanding as of the Record Date. A majority of the outstanding shares of Common Stock, represented in person or by proxy, constitutes a quorum. Rights of appraisal or similar rights of dissenters are not available to stockholders of the Company with respect to any matter to be acted upon at the Annual Meeting.

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the Annual Meeting for the purpose of determining the presence of a quorum. A "broker non-vote" will also be counted for the purpose of determining the presence of a quorum. A "broker non-vote" occurs when a beneficial owner whose shares are held of record by a broker does not instruct the broker how to vote those shares and the broker does not otherwise have discretionary authority to vote on a particular matter. Brokers are not permitted to vote shares without instructions on proposals that are not considered "routine." Accordingly, brokers are entitled to vote on Proposal Number 2 (the ratification of the independent registered public accounting firm), which is considered a "routine" matter, but brokers are not entitled to vote on Proposal Number 1 (the election of directors) or Proposal Number 3 (advisory vote on executive compensation). In order to avoid a broker non-vote on these proposals, a beneficial owner whose shares are held of record by a broker must send voting instructions to that broker.

Broker non-votes will have no effect on the outcome of the election of directors or the advisory vote on executive compensation. Likewise, the stockholder abstentions will have no effect on the outcome of the election of directors, the ratifying of the appointment of the independent registered public accounting firm or the advisory vote on executive compensation.

If you are a stockholder whose shares are registered directly in your name with American Stock Transfer & Trust Company, LLC, our transfer agent, and you return a signed Proxy Card without giving specific voting instructions, then the individuals designated as proxyholders on the Proxy Card will vote your shares in accordance with the recommendations of the Board: (i) "FOR" the election of each of the five (5) Board nominees listed herein, (ii) "FOR" the ratification of the appointment of BDO, USA LLP as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2021 and (iii) "FOR" the approval of the non-binding advisory vote on the Company's executive compensation.

Please vote your proxy so your vote can be counted.

It is expected that the following business will be considered at the meeting and action will be taken thereon.

## PROPOSAL NO. 1

### ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect five (5) directors (“Director(s)”) to the Board to hold office until the next annual meeting of the Company’s stockholders (the “2021 Annual Meeting”) and until their respective successors are elected and qualified. Cumulative voting is not permitted. The table below includes each director nominee’s principal occupation, age and year first elected to the Board. Each director nominee served as a director during fiscal year 2020 and was elected at the 2019 annual meeting of the Company’s stockholders (the “2019 Annual Meeting”). Mr. Martin Bloch, who is a current member of the Board, and Mr. Joel Girsky, who resigned from the Board on August 24, 2020, will not stand for re-election to the Board at the Annual Meeting. Consequently, the Board will be reduced to five members on the date of the Annual Meeting. Proxies may not be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

Although it is not anticipated that any of the individuals listed below will be unable or unwilling to stand for election, in the event of such an occurrence, submitted proxies may be voted for a substitute designated by the Board. However, in lieu of designating a substitute, the Board may reduce the number of directors.

The director nominees are as follows:

<u>Name of Director</u>	<u>Principal Occupation</u>	<u>Age</u>	<u>Year First Elected</u>
Jonathan Brolin	Founding and Managing Partner, Edenbrook Capital, LLC	47	2017
Lance W. Lord (1)	Chairman and Chief Executive Officer of L2 Aerospace; retired four-star Air Force general	74	2016
Russell M. Sarachek	Managing Director of Contra Capital Management LLC	57	2016
Richard Schwartz	Retired Chief Executive Officer and Chairman of ATK	84	2004
Stanton D. Sloane	President and Chief Executive Officer of the Company	70	2016

- (1) General Lord was appointed to the Board pursuant to a Settlement Agreement, dated September 13, 2016, (the “Settlement Agreement”) by and among the Company, on the one hand, and Mr. Ryan Levenson, Privet Fund LP, Privet Fund Management LLC, and General Lord, on the other hand. Pursuant to the Settlement Agreement and subject to the terms, conditions and exceptions contained therein, the Company agreed to nominate General Lord for election to the Board at the Company’s 2017 annual meeting of stockholders and to recommend and solicit for his election at such annual meeting in the same manner as for the other nominees nominated by the Board. The full text of the Settlement Agreement was included as Exhibit 10.1 to the Form 8-K filed by the Company with the Securities and Exchange Commission (“SEC”) on September 16, 2016. General Lord is being nominated for election to the Board at the Annual Meeting independent of the Settlement Agreement.

All directors hold office for a one-year period or until their successor is elected and qualified.

The Board has determined that Messrs. Brolin, Lord, Sarachek, and Schwartz, are “independent,” as defined in the listing standards of the NASDAQ Stock Market (“NASDAQ”). The composition of the Board, consisting of one (1) officer of the Company (Dr. Sloane) and the four (4) independent directors, is in full compliance with the listing requirements of the NASDAQ.

### **Family Relationships**

There are no family relationships between any director and executive officer.

### **Involvement in Certain Legal Proceedings**

As previously reported, on January 27, 2020, the Company terminated the employment of Martin B. Bloch as the Chief Scientist of the Company. In accordance with the terms of his employment agreement and his deferred compensation agreements, Mr. Bloch was not and will not receive any severance or deferred compensation in connection with his termination of employment.

Also as previously reported, on January 28, 2020, Mr. Bloch filed a complaint against the Company and Messrs. Brolin, Lord, Sarachek, Schwartz and Sloane, each in their capacity as members of the Board (collectively, the “Director Defendants”), in the Supreme Court of the State of New York, County of Nassau (*Bloch v. Frequency Electronics, Inc., et al.*, Index No. 601369/2020 (N.Y. Sup. Ct. filed Jan. 28, 2020)). Mr. Bloch seeks compensatory damages and costs and attorney’s fees, among other things, based on allegations that he was wrongfully terminated “for cause” pursuant to his employment agreement and his deferred compensation agreements with the Company, and that the Company and the Director Defendants discriminated against him based on his age. Mr. Bloch had originally also sought a declaratory judgment and claims for damage to his reputation and a derivative claim on behalf of the Company alleging that the Director Defendants breached their fiduciary duty in rendering their decision to terminate Mr. Bloch’s employment with the Company. However, Mr. Bloch removed those claims from a subsequently filed amended complaint after the Company and the Director Defendants moved to dismiss them. On June 11, 2020, the Company and the Director Defendants filed their answer to the amended complaint. Mr. Bloch filed a motion for summary judgment on June 23, 2020, which the Company and the Director Defendants opposed on July 10, 2020. Mr. Bloch’s motion seeks an order that the Company is liable for breach of his employment agreement because he purportedly resigned from the Company before he was terminated. On July 10, 2020, the Company and the Director Defendants opposed Mr. Bloch’s motion and also filed a motion for summary judgment seeking the dismissal of all claims in Mr. Bloch’s amended complaint. The Company and the Director Defendants believe that the Board was justified in its decision to terminate Mr. Bloch “for cause” and that Mr. Bloch’s complaint is entirely without merit. The Company intends to vigorously defend against all of Mr. Bloch’s allegations. At this time, the Company does not have sufficient information to determine whether liability, if any, arising out of these matters is probable or the possible loss, if any, that could result from an unfavorable outcome arising out of these matters.

In addition, Mr. Bloch sought to initiate two arbitration proceedings under the AAA Rules (*Bloch v. Frequency Electronics, Inc., the Compensation Committee of the Board of Directors of Frequency Electronics, Inc., and the Deferred Compensation Plan Agreement Dated March 7, 2008*). One arbitration is brought under a deferred compensation agreement dated March 27, 1980 and the other under a second amended and restated deferred compensation agreement, dated March 7, 2008. Mr. Bloch submitted his Statements of Claim in both arbitrations on May 4, 2020. In both proceedings, Mr. Bloch claims that defendants violated ERISA rules by denying him the benefits he was allegedly entitled to under the deferred compensation agreements.

On June 2, 2020, the Company filed a petition for a stay of arbitration and related declaratory relief against Mr. Bloch, in the Supreme Court of the State of New York, New York County (*Frequency Electronics, Inc. v. Martin B. Bloch*, Index No. 652191/2020 (N.Y. Sup. Ct. filed June 2, 2020)). The Company claims that Mr. Bloch may not arbitrate his claims for deferred compensation because he did not timely appeal the Company’s denial of those claims, and because he failed to comply with the arbitration procedures in the applicable deferred compensation agreement. Mr. Bloch filed a motion on June 16, 2020, seeking a change of venue to the County of Nassau, which the Company opposed on July 7, 2020. The motion is currently pending. At this time, the Company does not have sufficient information to determine the likelihood of success of this petition.

On June 5, 2020, Mr. Bloch filed a petition against the Company, the Compensation Committee, and the Deferred Compensation Plan Agreement Dated March 7, 2008, as amended, for the appointment of an arbitrator in one of the arbitration proceedings that Mr. Bloch sought to initiate. The petition was filed in the Supreme Court of the State of New York, County of Nassau (*Bloch v. Frequency Electronics, Inc. et al.*, Index No. 605380/2020 (N.Y. Sup. Ct. filed June 5, 2020)). On June 22, 2020, the Company moved to dismiss Mr. Bloch’s petition, and he opposed the Company’s motion on July 2, 2020. The motion is currently pending. Defendants dispute all of Mr. Bloch’s claims and intend to continue to vigorously defend the Company in these proceedings. The likelihood of any outcome of this proceeding cannot be determined at this time.

No director, executive officer, significant employee or control person of the Company has been involved in any legal proceeding listed in Item 401(f) of Regulation S-K in the past 10 years

#### Transactions with Related Persons

There were no transactions between the Company and any related persons during the fiscal year ended April 30, 2020.

#### Compensation of Directors:

Directors who are not officers of the Company receive annual directors’ fees of \$25,000 per year. In addition, the chairman of the Audit Committee receives an additional annual stipend of \$8,000 and the chairman of the Compensation Committee receives an additional annual stipend of \$4,000. Company officers do not receive additional compensation for their service on the Board or for attendance at Board meetings or committee meetings. Directors who are not officers do not participate in Company-sponsored deferred compensation programs.

The table below reflects director fees paid to non-employee directors during the fiscal year ended April 30, 2020

#### Director Compensation

Name	Fees Earned or Paid in Cash (\$)	Total (\$)
Joel Girsky	\$ 33,000	\$ 33,000
Russell M. Sarachek	25,000	25,000
Richard Schwartz	29,000	29,000
Jonathan Brolin	25,000	25,000
Lance W. Lord	25,000	25,000
Martin B. Bloch (1)	6,250	6,250

(1) Mr. Bloch’s employment with the Company was terminated for cause in January 2020; therefore, he received director fees as a non-employee director for a portion of the fiscal year ended April 30, 2020.

#### Vote Required and Board Recommendation

Assuming the presence of a quorum at the Annual Meeting, the affirmative vote of a plurality of the votes cast by holders of shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the election of directors. The five (5) nominees receiving the highest number of “FOR” votes will be elected. Abstentions will be counted as present for the purposes of determining a quorum but are not counted as votes cast. Broker non-votes, if any, will be counted as present for the purposes of determining a quorum but are not counted as votes cast.

**THE BOARD DEEMS PROPOSAL NO. 1 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE “FOR” EACH OF THE COMPANY DIRECTOR NOMINEES NAMED ABOVE.**

## PROPOSAL NO. 2

### APPOINTMENT OF INDEPENDENT AUDITORS

The Board, upon recommendation of the Audit Committee, has appointed the firm of BDO USA, LLP (“BDO”) to be the Company’s independent registered public accounting firm for the fiscal year ending April 30, 2021, and recommends to stockholders that they vote for ratification of that appointment.

It is anticipated that a representative of BDO will be present at the Annual Meeting. Such representative will be given the opportunity to make a statement and will be available to respond to appropriate questions.

#### Change of Independent Registered Public Accounting Firm

EisnerAmper LLP (“EisnerAmper”) was the Company’s independent registered public accounting firm during the fiscal year ended April 30, 2019. EisnerAmper and its predecessor, Amper, Politziner & Mattia, LLC, had audited the Company’s financial statements since 2008.

On July 26, 2019, the Board, at the direction of the Audit Committee, chose not to renew the Company’s engagement with EisnerAmper. The Company notified EisnerAmper on July 29, 2019 that it would be dismissed as the Company’s independent registered public accounting firm, effective immediately. The decision to change independent registered public accounting firms was approved by the Audit Committee.

EisnerAmper’s reports on the Company’s financial statements for the years ended April 30, 2019 and 2018 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company’s fiscal years ended April 30, 2019 and 2018, and the subsequent interim period through July 29, 2019, there were (i) no disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K promulgated under the Exchange Act (“Regulation S-K”), and the related instructions thereto, with EisnerAmper on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EisnerAmper, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. Also, during this same period, there were no “reportable events” within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

On July 26, 2019, the Audit Committee approved the appointment of BDO as the Company’s new independent registered public accounting firm, effective upon dismissal of EisnerAmper on July 29, 2019. During the Company’s fiscal years ended April 30, 2019 and 2018, and the subsequent interim period through July 29, 2019, neither the Company nor anyone acting on its behalf consulted with BDO regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report nor oral advice was provided to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a “disagreement” within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto or a “reportable event” within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

#### Audit and Non-Audit Fees

The following table presents the aggregate fees and expenses paid or accrued by the Company for professional services in fiscal year 2020 rendered by BDO, the Company’s current independent registered public accounting firm, and in fiscal year 2019 by EisnerAmper, the Company’s former independent registered public accounting firm. ### **Pre-Approved Services**

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the Company's independent registered public accounting firm based on its detailed description of services expected to be rendered during that year. The Audit Committee pre-approved all fees associated with the services that BDO provided in fiscal year 2020. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm to report actual fees versus the budget periodically throughout the year within each of the four categories of service described below.

*Audit Services* include audit work performed on the Company's financial statements, as well as work that generally only the independent auditors can reasonably be expected to provide, including statutory audits, comfort letters, consents and assistance with and review of documents filed with the SEC.

*Audit-Related Services* are for assurance and related services that are traditionally performed by the independent auditors, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

*Tax Services* include all services, except those services specifically related to the audit of the financial statements, performed by the independent auditors' tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.

*Other Services* are those associated with services not captured in the other categories. The Company generally does not request such services from the independent auditors.

During the year, circumstances may arise when it may become necessary to engage the Company's independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm for such additional services.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

### **Vote Required and Board Recommendation**

Stockholder ratification of the selection of BDO as the Company's independent registered public accounting firm is not required by the Company's Amended and Restated Bylaws (the "Bylaws") or otherwise. However, the Board is submitting the selection of BDO to the stockholders for ratification as a matter of good corporate governance. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interests of the Company and the Company's stockholders. The affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote is required for the ratification of BDO as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2021.

**THE BOARD DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.**

## PROPOSAL NO. 3

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables the Company’s stockholders to vote to approve, on a non-binding advisory basis, the compensation of the Company’s principal executive officer and the other most highly compensated executive officers (collectively, the “Named Executive Officers”) as disclosed in this Proxy Statement in accordance with SEC rules.

The Company’s objective is to provide a fair and competitive compensation package to its Named Executive Officers that rewards long-term performance and enhances stockholder value. In order to achieve its goals, the Company is dependent on its ability to attract, retain and motivate individuals who can achieve superior technical, operational and financial results. This approach has enabled the Company to attract and retain the executive talent that has resulted in increased revenues and profitability in recent years and has established the basis for sustaining such growth in the future. For an overview of the compensation of the Company’s Named Executive Officers, see the “Executive Compensation” section below.

The Company is asking for non-binding approval of the compensation of its Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules, which includes the disclosures under the “Executive Compensation” section, the summary compensation table, the related footnotes and the narrative discussion following the summary compensation table. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s Named Executive Officers and the policies and practices described in this Proxy Statement. Accordingly, stockholders are asked to vote “FOR” the following non-binding resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on a non-binding advisory basis, the compensation of the Named Executive Officers as described in the “Executive Compensation” section, the summary compensation tables, the related footnotes and the narrative discussion in the Company’s Proxy Statement for the 2020 Annual Meeting of Stockholders.”

While the Company intends to carefully consider the voting results of this proposal, this vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board. Nevertheless, the Board and the Compensation Committee value the opinions of the Company’s stockholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Company currently intends to hold the next non-binding advisory vote to approve the compensation of its Named Executive Officers at the 2021 Annual Meeting, unless the Board modifies its policy of holding this vote on an annual basis.

#### **Vote Required and Board Recommendation**

The affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote is required for advisory approval of this proposal.

**THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE SEC’S EXECUTIVE COMPENSATION DISCLOSURE RULES.**

## PROPOSALS OF STOCKHOLDERS

In accordance with the rules promulgated by the SEC, any stockholder who wishes to submit a proposal pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), for inclusion in the proxy material to be distributed by the Company in connection with the 2021 Annual Meeting must submit such proposal to the Company no later than April 30, 2021.

In order to nominate a person for election as director or propose any other business other than pursuant to Rule 14a-8 of the Exchange Act, the Company must receive notice of a stockholder’s intention to introduce a nomination or other item of business at that meeting no earlier than June 9, 2021, and no later than July 9, 2021, and such stockholders must otherwise comply with the procedures set forth in the Bylaws with respect to such notice. The business of the Company’s 2021 Annual Meeting shall not include voting on any stockholder nominee or proposal if proper notice as to such nominee or proposal is not properly delivered to the Company in accordance with these deadlines and the Bylaws.

In addition, the Board has determined that Mr. Brolin, chairman of the Audit Committee, satisfies the SEC's criteria as an "audit committee financial expert."

The Audit Committee has procedures in place to receive, retain and handle complaints received regarding accounting, internal controls or auditing matters and to allow for the confidential and anonymous submission by anyone of concerns regarding questionable accounting or auditing matters.

The purpose of the Audit Committee is to assist the Board by (i) overseeing the accounting and financial reporting processes of the Company, including the Company's internal controls, and the audits of the financial statements of the Company, the qualifications and independence of the Company's independent auditors and the performance of the independent auditors and the Company's internal audit function, (ii) providing an open avenue of communication among the independent auditors, management and the Board, (iii) reviewing the financial reports and other financial information to be provided by the Company to any governmental body or the public and (iv) preparing a report of the Audit Committee required by the rules and regulations of the SEC to be included in the Company's annual proxy statement. Dr. Sloane makes these recommendations to the Compensation Committee based on input from the Company's Human Resources Manager using compensation data as described below, as well as qualitative judgments regarding individual performance. The Compensation Committee reviews and considers Dr. Sloane's recommendations prior to making its own recommendations to the Board. Dr. Sloane is not involved with any aspect of determining his own pay.

In order to assess whether the compensation program that the Company provides to its executive officers is competitive, the Company's Human Resources department annually participates in a survey of electronics companies in the New York metropolitan area. This survey compares base salaries by job type as well as benefits offered by other companies in the electronics industry. The Compensation Committee has established salaries and benefits which are in the mid-range of those companies which participate in this survey.

Notes:

- (1) Dr. Sloane is awarded bonuses based upon consolidated bookings, revenue and operating income. Prior to his termination in January 2020, Mr. Bloch was awarded bonuses based upon consolidated pretax profits. Mr. Mancini is awarded bonuses based upon the bookings generated by the FEI-NY segments. Mr. Strang is awarded a bonus based upon EBITA generated by FEI-Zyfer.
- (2) The amounts in this column do not represent actual cash payments to the Named Executive Officers. Each value represents the aggregate grant date fair value of the Common Stock, SARs or RSUs awarded, as applicable, by the Company during fiscal years 2020 and 2019 computed in accordance with FASB ASC TOPIC 718. The assumptions used in determining the grant date fair values of these awards are set forth in the notes to the Company's consolidated financial statements, which are included in its Annual Report on Form 10-K for the year ended April 30, 2020, as filed with the SEC.
- (3) The Company has entered into certain deferred compensation arrangements with certain key employees (including the Named Executive Officers) providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The change in the actuarially calculated deferred compensation liability to the Company for each of the Named Executive Officers for fiscal years 2020 and 2019 is as follows: Mr. Mancini: \$(13,656) (2020) and \$(12,450) (2019) and Mr. Strang \$36,535 (2020). The Company made no payments towards these deferred contribution arrangements for the fiscal years ended April 30, 2020 or 2019. These non-cash amounts are included in the Company's general and administrative expenses for the fiscal years ended April 30, 2020 and 2019, respectively. Mr. Bloch's employment with the Company was terminated for cause in January 2020; therefore, he is not entitled to any deferred compensation. As discussed under the heading "Involvement in Certain Legal Proceedings" above, Mr. Bloch has initiated a lawsuit against the Company and the Director Defendants with respect to the termination of his employment, and has sought to initiate arbitration proceedings under his deferred compensation agreements.
- (4) The amounts shown in this column are composed of the following:

- (a) All employees of the Company are eligible for health, term life and disability insurance, the premiums for which are partially paid by the Company. This column only reflects reimbursement of medical costs, which is available only to officers.
- (b) Company-paid premiums for additional whole life insurance policies, the beneficiaries of which are the heirs of Dr. Sloane and Mr. Bloch, respectively.
- (c) The amounts include financial planning advice and the fair market value of contributions by the Company of Common Stock to the accounts of the Named Executive Officers in the Company's 401(k) Savings Plan, which may not exceed \$3,000 in a calendar year.
- (5) Mr. Bloch's employment with the Company was terminated for cause in January 2020. #### Narrative Disclosure of Summary Compensation Table

##### **Short-Term Incentive Bonus Programs**

The Company maintains short-term incentive bonus programs for certain employees which are based on operating profits and certain other relevant criteria of the individual subsidiaries to which the employees are assigned. The Company's employment agreement with its Chief Executive Officer includes a bonus formula based on various criteria (see "Chief Executive Officer Employment Agreement" below). The Company also provides bonus opportunities to the other employees, including its other Named Executive Officers (see "Former Chief Scientist and Former Chief Executive Officer Employment Agreement," "Senior Vice President, Business Development Employment Agreement" and "President, FEI-Zyfer Employment Agreement" below). These bonus programs are designed to create incentives for superior performance and to reward certain Company employees for their contributions to the Company's success. Focused on short-term or annual business results, these bonus programs enable the Company to award designated executives with cash bonuses based on their contributions to the profits of the Company. The Board in its discretion determines the actual amounts paid to the Named Executive Officers pursuant to these bonus programs, if any.

### ***Long-Term Incentives***

As part of its comprehensive compensation program, the Company stresses long-term incentives through awards of shares of its Common Stock through the grant of SARs, RSUs or options to purchase Common Stock through its 2005 Stock Award Plan. Grants and awards are aimed at attracting new personnel, recognizing and rewarding current executive officers for special individual accomplishments, and retaining high-performing officers and key employees by linking financial benefit to the performance of the Company (as reflected in the market price of Common Stock) and to continued employment with the Company. Grants of SARs, RSUs, stock options and other equity awards are generally determined on an individual-by-individual basis. The factors considered are the individual's performance and potential for contributing to the Company's future growth, the number of SARs, RSUs, stock options and awards previously granted to the individual and the Company's financial and operational performance.

The Company does not maintain any compensation plans for its executive officers or directors nor for any of its other employees which provide compensation intended to serve as incentive for performance to occur over a period longer than one fiscal year other than the stock award plans discussed above and the Company's 401(k) Savings Plan discussed below. The grant date fair market values of the SAR and RSU awards under the 2005 Stock Award Plan granted during fiscal year 2020 and 2019 are shown in the Summary Compensation Table above.

### ***Nonqualified Deferred Compensation Agreements***

The Company has no tax-qualified defined benefit or actuarial retirement plans in effect. It has entered into certain deferred compensation agreements with certain key employees, including its officers, providing for the payment of benefits upon retirement or death or upon the termination of employment not for cause. The Company pays compensation benefits out of its working capital but has also purchased whole or universal life insurance (of which it is the sole beneficiary) on the lives of each of the participants to cover the optional lump sum obligations under the deferred compensation agreements upon the death of the participant. The annual premiums paid during fiscal year 2020 were less than the increase in cash surrender value of the whole and universal life insurance policies.

The deferred compensation for participants in the program is reviewed annually by the Compensation Committee. The annual benefit may be increased based upon recent performance, length of service, economic conditions and other factors. The annual benefit to be provided to each of the Named Executive Officers upon his retirement is as follows:

Stanton D. Sloane, President & CEO	\$	0
Martin Bloch, former Chief Scientist	\$	0
Oleandro Mancini, Senior VP	\$	85,000
Steve Strang President FEI-Zyfer	\$	60,000

Such benefits are payable for the remaining life of the individual with a minimum payment over ten years to either the employee or his beneficiaries. Benefits may be paid in a lump sum in the case of a participant's death, disability or early termination of employment without cause. The change in actuarial value in nonqualified deferred compensation benefits under the deferred compensation agreements for each of the Named Executive Officers is presented in footnote 3 to the Summary Compensation Table above.

### ***Supplemental Separation Benefits***

Included in the deferred compensation agreements of certain executive officers and certain key employees are provisions for supplemental separation benefits. Under the agreements, in the event of a change in control or ownership of part or all of the Company which gives rise to discharge of any officer or employee without cause, then such officer or employee will receive supplemental severance pay equal to one and one-half times the employee's average base salary plus cash bonus from the previous five calendar years prior to the change of control if such discharge occurs in the first year after the change of control. If discharge occurs more than one year but less than two years after the change of control, then the employee will receive two-thirds of the five-year average of base salary and bonus.

### ***Chief Executive Officer Employment Agreement***

Pursuant to his employment agreement, Dr. Sloane's base annual salary is \$325,000. Dr. Sloane also receives additional compensation of up to \$20,000 in the form of financial planning advice and Company-paid premiums for life insurance coverage, the beneficiaries of which are Dr. Sloane's heirs. Dr. Sloane's employment agreement provides a fixed annual bonus of 100% of his base salary at the end of the applicable fiscal year, only payable if the Company shows a profit for the year, as well as separation benefits in the event of a change in control or ownership of part or all of the Company, and continuation of disability, medical and life insurance. Dr. Sloane has been awarded SARs based on 90,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant, and RSUs based on 30,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. The SARs are exercisable for a period of five years from the date of grant. The RSUs vest equally over a 4 year period from the date of the grant and are based on consolidated booking. (See "Outstanding Equity Awards at Fiscal Year-End" and footnote (10) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

### ***Former Chief Scientist and Former Chief Executive Officer Employment Agreement***

Pursuant to his employment agreement, Mr. Bloch's base annual salary was \$400,000. Mr. Bloch also received additional compensation of up to \$52,000 in the form of financial planning advice and Company-paid premiums for life insurance coverage, the beneficiaries of which are Mr. Bloch's heirs. Mr. Bloch's employment agreement provided a fixed annual bonus of 6% of the pre-tax profit of the Company with a cap on the pre-tax profit at \$20,000,000, as well as separation benefits in the event of a change in control or ownership of part or all of the Company, continuation of disability, medical and life insurance, the cost of an annual physical examination and a new automobile every three years. Mr. Bloch was awarded SARs based on 266,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. The SARs were exercisable for a period of ten years from the date of grant with the exception of the fiscal years 2019 through 2015 awards which are exercisable for a period of five years from the date of grant. However, as previously reported, Mr. Bloch's employment with the Company was terminated for cause in January 2020, and in accordance with the terms of his employment agreement and his deferred compensation agreements, Mr. Bloch did not and will not receive any severance or deferred compensation in connection with his termination of employment. (See "Outstanding Equity Awards at Fiscal Year-End" and footnote (10) under "Stock Ownership of Certain Beneficial Owners and Management" above.) As discussed under the heading "Involvement in Certain Legal Proceedings" above, Mr. Bloch has initiated a lawsuit against the Company and the Director Defendants with respect to the termination of his employment, and has sought to initiate arbitration proceedings under his deferred compensation agreements.

### ***Senior Vice President, Business Development Employment Arrangement***

The Company has not entered into an employment agreement with Mr. Mancini. Mr. Mancini's annual base salary is \$220,000. Mr. Mancini is paid an annual bonus based on bookings generated by the FEI-NY segments. In fiscal year 2019, Mr. Mancini's annual bonus was \$50,106 and in fiscal year 2020, Mr. Mancini's annual bonus was \$23,800. In addition, the Company has entered into a deferred compensation agreement with Mr. Mancini providing for the payment of an annual benefit of \$85,000 upon his retirement or death or upon the termination of his employment (other than for cause). Mr. Mancini also is eligible for health, term life and disability insurance, the premiums of which are partially paid by the Company, and for reimbursement of medical expenses and an automobile leasing arrangement. Mr. Mancini was awarded SARs based on 67,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. The SARs are exercisable for a period of ten years from the date of grant with the exception of the fiscal years 2019 through 2015 awards which are exercisable for a period of five years from the date of grant. (See "Outstanding Equity Awards at Fiscal Year-End" and footnote (10) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

### **President, FEI-Zyfer Employment Arrangement**

The Company has not entered into an employment agreement with Mr. Strang. Mr. Strang's annual base salary is \$200,000. Mr. Strang is paid an annual bonus based on EBITA generated by the FEI-Zyfer segment. In fiscal year 2020, Mr. Strang's annual bonus was \$54,644. In addition, the Company has entered into a deferred compensation agreement with Mr. Mancini providing for the payment of an annual benefit of \$60,000 upon his retirement or death or upon the termination of his employment (other than for cause). Mr. Strang also is eligible for health, term life and disability insurance, the premiums of which are partially paid by the Company, and for reimbursement of medical expenses. Mr. Strang was awarded SARs based on 51,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. The SARs are exercisable for a period of ten years from the date of grant with the exception of the fiscal years 2019 through 2015 awards which are exercisable for a period of five years from the date of grant. In addition Mr. Strang was awarded RSUs based on 1,000 shares of the Company's Common Stock and the market value of the Common Stock as of the applicable date of grant. These RSUs vest equally over a 4-year period from the date of grant. (See "Outstanding Equity Awards at Fiscal Year-End" and footnote (10) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

### **Employee Benefit Plans**

Officers, including the Named Executive Officers, are eligible to participate in the Company's 401(k) Savings Plan. This plan permits eligible employees to defer a portion of their income through voluntary contributions to the plan. Under the provisions of the plan, the Company makes discretionary matching contributions of the Company's Common Stock, the fair market value of which may not exceed \$3,000 in a calendar year. All participants in the plan become fully vested in the Company contribution after six years of employment. All of the Named Executive Officers are fully vested in the shares attributable to their accounts. (See footnote (10) under "Stock Ownership of Certain Beneficial Owners and Management" above.)

### **Other Compensation**

Officers (other than Mr. Bloch and Mr. Strang) and certain key employees are provided with a leased automobile to use for both business and personal purposes. The operating costs of each vehicle are paid by the Company. The value of any personal use is included in the taxable income of each employee. Officers of the Company are also reimbursed for out-of-pocket medical expenses incurred by the officers and their families. Such reimbursement is also included in the officers' taxable income.

### STOCKHOLDERS SHARING THE SAME ADDRESS

SEC rules permit companies, brokers, banks or other intermediaries to deliver a single copy of a proxy statement and annual report to households at which two or more stockholders reside. This practice, known as "house holding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of the Company's Proxy Statement and Annual Report on Form 10-K.

If you would like to opt out of this practice for future mailings and receive separate proxy statements and annual reports for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate Proxy Statement and Annual Report on Form 10-K without charge by contacting the Company at Frequency Electronics, Inc., 55 Charles Lindbergh Boulevard, Mitchel Field, New York 11553, Attention: Corporate Secretary; (516) 794-4500, extension 3100. We will promptly send additional copies of the Proxy Statement or Annual Report on Form 10-K. Stockholders sharing an address that are receiving multiple copies of the Proxy Statement and Annual Report on Form 10-K can request delivery of a single copy of future proxy statements and annual reports by contacting their broker, bank or other intermediary or by contacting the Company as indicated above.
